

NotaryChain — System Architecture

Verifiable • Tamper-evident • Court-ready

Document → AI → Immutable Proof on Hedera Mainnet

Third-party components

OpenAI GPT-5.5 (Vision + Text)

Hedera Hashgraph — MAINNET (HCS)

Stripe (payments + Connect)

Daily.co (RON video)

IdenTrust X.509 (PAdES seal)

THE MOAT

Proof lives on a public, decentralized ledger — not a private database. If NotaryChain disappeared tomorrow, every seal remains independently verifiable on Hedera for
